

CHICAGO POLICE BRANCH

The Shomrim Society of Illinois is an organization of Law Enforcement Officers of the Jewish Faith. This year we enter our 58th year as one of the oldest ethnic police organizations in this area.

The Shomrim Society of Illinois is preparing for its annual "Person of the Year" Reception on September 13, 2017, at the Crowne Plaza Chicago Metro Hotel in Chicago, Illinois. This year we honor Amy Stoken, a person who has been a fervent supporter of the Jewish Community. Your kind support to the Shomrim Endowment Fund, in whatever capacity you are able to give, is greatly appreciated.
